

Rasmus Hundsbaek Pedersen

Current employment: Senior researcher at DIIS, Sustainable development and governance research unit

Link: <https://www.diis.dk/en/experts/rasmus-hundsbaek-pedersen>

Bio text:

Rasmus H. Pedersen works on energy and natural resource investments in sub-Saharan Africa with a focus on politics and governance. This includes research on renewable energy, oil and gas, and land and land rights. Currently he focuses more on the political economy of energy transitions, comprising issues like resource endowments, resource nationalism, policy coalitions, planning and state capacity, development assistance, electrification and access to energy. Rasmus holds a PhD in international development studies from Roskilde University. Geographical focus: East Africa, especially Tanzania, but also Ghana.
